PLACEHOLDER RESUME — Replace this file with your real resume.pdf

This is a placeholder resume PDF generated for the portfolio template.

Replace assets/resume/resume.pdf with your own resume file (keep the same filename, or update the download link in index.html to match your new filename).

Suggested sections to include in your real resume:

- Summary / Objective
- Technical Skills (Frontend, Backend, Database, Tools)
- Projects (with links)
- Education
- Experience / Internships
- Certifications
